

**BEAVER REGIONAL ARTS
SOCIETY
IS PROUD TO
ANNOUNCE ITS 39th SEASON**

While many of the faces have changed over the years, the strength and dedication of the Society continues on with the same spirit that was instilled by our founders.

We could not have done it without the tremendous support of our **SEASON TICKET HOLDERS and BUS PATRONS!**

Also, the contributions of the Alberta Foundation for the Arts, Beaver County, Village of Holden and the many individuals who have encouraged our work have allowed us to enhance the culture in our communities.

We credit our success to each and every one of you and thank you for your wonderful support.

See you at the theatre!

***Be sure to come to our
Christmas
Patron Appreciation
at the December 9th show***

Relax, sing some Christmas carols, have some fruit punch and squares and enjoy the entertainment and company of others.

Please support the wonderful home cooked roast beef supper served after each show for \$15.00 per person.

Our community and church groups work hard to prepare and serve these meals as fundraisers for their organizations.

Good attendance at these suppers will ensure their continuation.

The Legend of George Jones: Duane Steele

Be part of a special tribute to the man considered to be one of the greatest country singers of all time – George Jones. In a career that lasted more

than 50 years, “the Possum” evolved from a young honky-tonker to a music icon as he recorded more than 150 albums and became the symbol of traditional country music. Award winning singer-songwriter Duane Steele and his band will take you on a journey of George’s life through stories and songs. Duane will sing the hits that spanned five decades.

Sunday March 24, 2019 2:00 p.m.

John Reischman and The Jaybirds

In a marketplace flooded with bluegrass ensembles, John Reischman and the Jaybirds have found a recipe to stand out from the rest. The group fashions a stylish,

elegant take on Bluegrass happily old-fashioned, yet unselfconsciously new. To see their show live is to believe it. A blend of story-telling and side-show humor provides the backdrop to their performance of original songs, instrumentals and newly arranged traditional material.
