**Rural Policing**

Recently rural municipalities have received the following information from the Minister of Justice.

The Government of Alberta’s new police funding model will inject more than \$286 million over five years into frontline law enforcement for these additional RCMP officer and civilian positions. This new cost-sharing partnership will see small and rural communities begin to pay a portion of frontline policing costs, bringing them into line with larger communities and cities.

Under the cost-sharing terms in the Provincial Police Service Agreement (PPSA), Alberta pays 70 per cent of policing costs and the federal government covers the remaining 30 per cent. With the additional investment from municipalities, the federal share of the PPSA will increase as well. This partnership will constitute a total increase in rural police funding of more than \$286 million over five years with every dollar of the additional funds invested in frontline policing.

Holden’s share will be phased in over the next 5 years. The following amounts will be added to the yearly budget.

|      |     |           |
|------|-----|-----------|
| 2020 | 10% | \$ 6,010  |
| 2021 | 15% | \$ 9,021  |
| 2022 | 20% | \$ 12,020 |
| 2023 | 30% | \$ 18,043 |
| 2024 | 30% | \$ 18,043 |

### Heritage Resources Committee Update submitted by Christine Mackay

Did you know there is a Heritage Resources Committee in Holden? In 2010 the Village of Holden passed a by-law establishing this committee to promote the identification and protection of historic resources in the Village. The committee worked with the Province through the Municipal Heritage Partnership Program and using grant funds, matching money from the Village and in kind contributions from the committee, a consultant was hired to do a survey and prepare the Village of Holden Heritage Inventory. The inventory includes a description of the property, the significant criteria, the context, the period of significance and the character defining elements for each of the 24 properties included. Once this was completed the committee worked with the consultant to prepare the Heritage Management Plan which establishes the process that must be followed to attain designation as a Municipal Heritage Resource. Once this plan was completed the Committee tested the process outlined in the plan to see if it was manageable by going through the process of having the old Village of Holden Garage designated. The designation was successful and we now have a total of four registered Municipal Historic Resources in the Village. They are the Old Village Garage, the Holden Museum, the Lutheran Church building that is now the Gallery and the Holden Cenotaph. A plaque was installed on each of these buildings and structures stating the designation and the date. Once the Municipal Historic Resource designation is completed the site is nominated by the Heritage Resources Committee for inclusion on the Alberta Register of Historic Places <https://hermis.alberta.ca/arehp/>. Once listed on this register, the property owner is eligible to submit an application to the province for Historic Resource Conservation funding through the Heritage Preservation Partnership Program of the Alberta Historical Resources Foundation. <https://www.alberta.ca/listing-historic-resources.aspx>

Does your property have Heritage value and would you like to have it designated as a Municipal Heritage Resource? If so, please contact our committee by talking to CAO Sherry Garbe at the Village Office to get more information and to start the process. Remember that designations can't happen unless they are requested by the property owner. The Heritage Resources Committee can help the property owner with the process.

The current Committee members most of whom have been on the committee since it's inception are Christine Mackay, President, Peggy Nahirniak, Vice President, Susan Tymchak, Dave Maruszczyk, Village of Holden Council representative Mark Giebelhaus and Secretary Sherry Garbe, the Village CAO.

For more information you can also visit the Village of Holden website [www.villageofholden.ca](http://www.villageofholden.ca) then go to community directory then local organizations then Heritage Resources Committee.
