SERENITY GARDEN:

Hello Everyone, just a quick update..

Phase 1. The corner posts will be installed in the next few weeks...

We have sourced some large rocks which will be dropped after seeding... Thank you to the Farm Family for getting ahold of us. The path will be formed next month and we are sourcing the recycled tire path for our wheelchair access. Stay tuned on that.

Our Grant lady is looking into this for us. Any money we can save is awesome.

The community is helping us towards are goals.

2 double benches have been generously donated and are being built as we speak. Also one metal and one wood. It is moving along behind the scenes.

Sourcing water features... any ideas are greatly accepted. I love Pinterest.

We are looking for helpers to plant when the time comes for our shrubs and bushes as we promote them. Anyone interested in joining our cause, **please call Elaine at 780-603-9729.**

There will be succulent garden area, hosta area, rock garden corner and 4th perennial area. Then we will work in shrubs and trees and landscaping as we move on. This will be a great drawing card for Holden. Stay tuned.

Most of all, we appreciate the volunteers who tirelessly give their time and hard labor. We can't do this without you. THANK YOU! HOLDEN ROCKS!!!

THE GALLERY HOLDEN

Hi Everyone,

The Gallery is a Not For Profit Society always striving to do their part for Holden and surrounding district. The Volunteers are dedicated individuals working as a team together with board members and artisans to showcase over 50 Artists, Artisans, and Crafters. We have a soup company on board, a honey vendor, locally grown sourced jams and of course... The Saskatoon Farm with Saskatoon syrup, pies and strawberries. The Gallery also has a direct line to sell ground beef by the Pound.

Come check us out, and look at all the items. There is something for everyone. Gifts Galore. Check out the butterflies before time runs out.

Thanks again! Stay tuned for showcasing an artist/s once a month! See you there!!

-Elaine Cooper (Secretary)

Thank you!!!!

NU2U2

Hello!

NU2U2 is a not for profit clothing and items-Second hand/gentle used items store.

We promote helping the community with our amazing, tireless volunteer base. Without you, this would not be a great place to visit. Mona and her team keep the store immaculately clean and shining. Massive Thank you! The biggest Thank you is to the Village of Holden who generously support us in our 5th year of Business. Thank you, Thank you, Thank you!

Sometimes we just don't thank the people who stretch out the helping hands without being asked.... And you know who you are.

The store helps many families and causes within the Village and we are presently adding to our main street project with some upkeep, looking into new planters and additional benches. Stay Tuned!!! Thank you All!!!

-The Board of NU2U2

THE HOLDEN GUIDE TO

DOGGY DO'S & DON'TS

DO get a license....if you're 6 months or older. It's the Law in Holden. And wear the tag! If you wander away from home, you may end up in jail... & no one will know who your owner is!!

Even your Cat friends can get a license. But for their owners, it's voluntary.

DO stay in your own yard. Unless someone takes you out on a leash.

There is **no** off-leash area in Holden... not at the parks, or the ball diamonds, or the duck ponds... and certainly not the streets & alleys.

DON'T disturb the peace by barking, howling, singing or complaining. Unreasonable noise will get you, and your owner, in trouble.

DON'T be mean to any other animal or person. That means no chasing, attacking, biting or threatening.

DON'T do your business anywhere but at home. But if you're going out on your leash, **DO** remind your owner to take a baggie along; just in case....

Holden Rural

Academy

a grade 7 - 12 school for
students in the Ryley and
Holden area to open in the
Fall of 2022

The Education Minister now has 60 days to make a decision. Thank you to the County of Beaver, the Village Of Holden, the Village of Ryley and the Holden Library for their letters of support.

Place-Based Education encourages active, engaged and community- minded education. Students learn how to apply ideas that are being taught, to their lives as well as people and places surrounding them. This is a step out of the four walls of the classroom and involves learning through and with local community spaces. The HRA creates an opportunity for students in our area to graduate together.

HAITI REBUILDING FUNDRAISER

Thank you, Holden, for your support of my Haiti house-building fundraiser. Over the last few months, the collection of used items diverted 22,496 lbs of waste from the landfill.

In return, I raised \$2400 for my Haiti ARISE fundraiser. This amount is enough for two-thirds of a hurricane shelter home.

Special thanks is extended to The Gallery for their support.
