VILLAGE OF HOLDEN NOTICE

Re: Snow Removal

Bylaw No. 4-2023 states that:

- * Snow must be cleared from sidewalks within 48 hours of a snowfall - This means any public sidewalk adjacent to your property (front or side).
- * Snow removed from sidewalks & driveways must NOT be placed on the roadway - [There are a few exceptions to this, where Main Street businesses have no access to a boulevard or yard space.]
- * **Please Do Not** shovel, push, blow, pile, or spread snow on the roads or alleys, either from your yard, driveway, sidewalks or the adjacent roadways.
- * If you are removing a large quantity of snow, and cannot place it on your property, use the same “push sites” that the grader uses, and pile snow there.
- * The grader will open the center of each street first, then later will come back and clear the sides, as close to the curb as possible.
- * The grader makes every attempt to keep driveways clean & not block them in, but it is impossible for the grader to avoid blocking narrow walkways.
- * If you see the grader working on your street, please move your vehicle.
- * Quantity of snow = Degree of Challenge! Be patient and helpful. This is Winter in Canada!
